To the Housewives of Norwich:

You will surely be

### ROBBED

this summer of a vast amount of time and strength, if you persist in ironing in the old fashioned way. The new

### THERMAX GAS IRON

is yours for less than half the cost of an electric iron, and is five times cheaper to iron with, in fact the cheapest known method. A big bargain at \$3.99 but to get them quickly into the hands of the people we are making a special introduction price, for a limited time, of only \$1.99 complete with necessary tubing. Don't forget the world's best cooking stove is in the gas range. They are rapidly displacing Oil CAN contrivances. Steer clear of a make-shift. Buy the real thing. It's better to be sure than to be sorry. Call and examine ranges that insure lasting satisfaction.

## 6000 Hibernians Rallied In Bridgeport

Norwich Sent Down 400 Members and Friends to the Big State Parade—Much Favorable Comment on the Local Men's Appearance, and Chances for Prize Are Bright.

Norwich was represented by a delegation of about four hundred people at the big state parade of the Ancient Order of Hibernians held Tuesday at Bridgeport. The local members of the order, about 140 in number, gathered at Cadillac hall and gave a short street parade before leaving on the special train at 8:20 o'clock. The line of march extended up Water street to Washington square and thence east through Main street to the station.

Mayor Murphy, with County Director Finnegan and his aides led the column. The excursion train arrived at Bridgeport shortly before 11 o'clock. New London sent about 300 members and about 40 members of the ladies auxiliary.

From several parts of the state the Hibernians gathered at Bridgeport and the city gave the visitors a royal welcome. The weather conditions were favorable, but nevertheless did not interfere to any appreciable extent with the festivities of the day.

More Than 25,000 Visitors.

It is estimated that there were more than 25,000 visitors in the parade, with more than 6,000 in the parade, which was one of the finest parades in recent years. Governor Baldwin and his staff reviewed the parade.

The New London county division was led by the president, James E. Sullivan, State Vice President William T. May and Mayor T. C. Murphy of Norwich, with several aides. The members from the Whaling town were appropriately dressed in dark suits with white gloves and green banded straw hats, and all carried canes.

Compliments for Norwich Men.

After the New Londoners came the men from Norwich, with Tubbs Millington in the lead. The parade was divided into divisions of Norwich members, all clad in dark trousers, cream-colored shirts with green ties, white gloves, carrying white parasols and hats in very hand when it began to rain just after the procession started. F. J. Murtha, president of Division No. 2 of Norwich, and Daniel O'Neill, vice president, were in the lead. State Vice President May, who is also president of Division No. 2 of New London, Thomas Graun, president of Division No. 2, and M. Sullivan, president of Division No. 2, marched at the head of the delegation from the Whaling town.

The Norwich men put one over on the boys from the other cities with their small white parasols, which served to keep the drizzling rain from the white shirts. Everyone along the line of march remarked upon the excellent appearance of the Norwich men and predicted that a high prize would fall to them. Norwich folks seemed to especially plentiful along State street, as the marchers received untold applause.

Applause All Along the Line.

At the head of the New London county division there was an auto in which were Mayor Murphy, Rev. Hugh Treasurer, Rev. J. H. Fitzmaurice, William A. Keefe of Plainfield, Rev. Timothy M. Crowley of New London and Mayor Daniel P. Dunn of Williston.

Ex-State President John P. Murphy, a well known figure in connection with the state gatherings, was in the parade, and during the parade he made a high prize in the parade of the entire column and was greeted by loud applause all along the line.
